## REMARKS

### Status of Claims

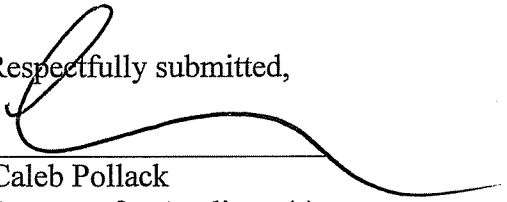

Claims 1-26 are pending in the application. Claim 23 has been amended herein to correct a typographic error. The amendments to the claims add no new matter.

Applicants thank the Examiner for allowing the claims. Applicants note that in the Reasons For Allowance, not all the language the Examiner ascribes to the invention is in each claim. For example, claim 1 lacks "an actuator ... [is] rotatably mounted ...".

The Examiner is invited to telephone the undersigned to discuss any still outstanding matters with respect to the present application.

The issue and publication fees are being paid separately. No other fees are believed to be due. However, if any such fees are due, please charge any fees associated with this paper to deposit account No. 50-3355.

Respectfully submitted,
